

Okanagan Club – Bear Course

LPGG Tournament June 4th

The Tour

Monday afternoon was the tee-off for the Okanagan Valley women's golf super league tour that comprises of 12 tournaments throughout the summer all around the Okanagan and is known as the Let's Play Great Golf (L.P.G.G.) tour. The Super League is so named as it is for ladies only with an index of 18 or less and is open to pros as well as amateurs. The tour plays golf courses all over the Okanagan about every two weeks.

The Players

We had a very keen group from throughout the valley, including two golf professionals and a number of club champions from the various clubs within the Okanagan Valley. Only half the field decided to play through the serious rain storm which unfortunately ended our round before reaching the 9th green at the fantastic Bear Golf Course at the Okanagan Golf Club. It was a priceless scene, on the 7th hole as the players Sharon Jack of Vintage Hills, Jodee Smith the Okanagan Golf Club, Lisa Becker (Golf Professional) from the Vernon Golf Club and Tara Roden (Golf Professional) from Gallagher's Canyon were all attempting to putt out, all paring in the torrential rainfall. It reminded us of the caddy shack movie with Bill Murray, "I don't think the hard stuff is going to be coming down for a while". Despite our best efforts, the golf course management felt it was best not to continue as the greens were under water. We all really enjoyed the golf holes we could play and look forward to returning to finish later in the season.

Results

Good news, bad news. Due to heavy rain, we had to cancel this event but the management of the Okanagan Golf Club were kind enough to book the "Let's Play Great Golf" tour event in 2007 September 17th.

Good news for everyone. We will look forward to returning in hopefully better circumstances. The registration for this event can be done on line www.stargolf.ca or contact Tara Roden directly tara@stargolf.ca or trodden@golfbc.com
